Dear Tony

Following our review of the Design Version of this programme, we are pleased to issue our formal Notification of Endorsement of the programme in the EP Territory.

Please find attached an amended Annex 2 to the Endorsed Programme Licence ("EP Licence"), revised to include the above-mentioned programme.

The Design Version of this programme will now become the Final Archive and Record Copy. As such, our endorsement only applies to the specific Design Version reviewed by us and the EP Licence does not extend to any other versions or formats of the Programme, other than the version of the Programme indicated in Annex 2. As you are aware, in the event that you wish to make any substantive changes to the programme, you must seek approval from ECDL Foundation.

If you require clarification of any of the above points, please do not hesitate to contact me.

Yours sincerely,

Mary Whyte  
Licensing & Contracts Manager
