Payment for Services Rendered

*Pricing Structure for one venue/site/school	
3 – 5 devices	R350.00 per device per month at one venue (3 minimum)
6- 10 devices	R2 000.00 flat rate per month at one venue
11 + devices	R3 000.00 flat rate per month at one venue
Each device is assigned a login. Minimum of 3 devices. The number of devices may increase/decrease during the course of this agreement. However, the minimum of 3 devices/logins remains. Note: Separate Minecraft: Education Edition license fees apply if you intend offering Minecraft	

The Client shall pay the Provider for services rendered, (online access), per device per login per month / a flat rate per month. This is an annual agreement that can be terminated by either party after a minimum of one year. Thereafter, the agreement will be month – to - month with one month’s written notice. The Client has agreed to sign a debit order for the fee payable. This fee will be debited from their account monthly in arrears for the duration of the agreement. **If fees are not received on the debit order system, online access will be suspended and the license/agreement for the area revoked.**

The total monthly debit order will be:

R _____, effective _____/_____/_____.

This agreement will be revised annually.

*The pricing is per login per month and for one venue/site/school. Each device will be allocated a unique login. The Client may offer the services to schools in his/her suburb but additional licenses may need to be procured should simultaneous logins be required (eg 3 schools needing 10 logins at the same time).

I hereby understand that I might not generate income for the first month or two until I have paying clients and that I have funds available to ensure my debit order runs at the end of next month.
